

Regional Grain Trading Company

Our ref. 24/02 dated 22.07.2015

To: whom it may concern

Dear Sirs,

Regional Grain Trading Company is one of European leading companies, specialized in production, storage and trading of organic and conventional grains, oil seeds, pulses and processing products, such as sunflower cake expeller etc.

We are located in Kherson region, south of Ukraine.

We would like to offer you a supply chain from the farm, where the products are being grown to the vessel ready to depart to the point of destination. We cover all positions in this chain as storage transportation and loading operations.

We are ready to perform regular supplies of the following products:

- Feed yellow corn
- Milling and feed what
- Barley
- Peas
- Sunflower seeds
- Soybeans
- Sunflower cake and meal expeller

Our aim - reliable successful partnership based upon long - term cooperation.

At present we are pleased to offer supplies of feed barley, quantities 50000-60000 mt during the season, 5000-10000 mt at one shipment, with the following specification:

Moisture: 14% max

Admixture: 3% max

Grain admixture (broken and damaged): 10% max

Hectoliter weight: 580-600 kg/hl min

We are looking forward to establish good business relationships with your company,

Awaiting your kind reply,

Kind regards,

Director deputy Roman Kechko
