We invite you to take part in the 2nd International Exhibition

[RAIL EXPO 2018](#)

#REUA

B2B rail space that consolidates wide and narrow gauges

The event will be held on **October 16-18** at **Chamber Plaza**, the exhibition centre of Ukrainian Chamber of Commerce and Industry (Kyiv, Velyka Zhytomyrska St. 33).

The forum is hosted by the Information Service www.promgruz.com.

THE FIRST IN UKRAINE Solemn ceremony to award the leaders of the railway industry:

Ukrainian Rail Award - community of professionals chooses the best

Rail Expo Award - Consumer Choice Rating

The international exhibition Rail Expo 2018 focuses precisely on the railway industry and brings together the public and private sectors from around the world. With this exhibition, we are creating a platform for transnational exchange of experience, as well as establishing trends and prerequisites for rapid positive changes on the railways. The Rail Expo 2018 exhibition brings together world leading rail brands with thousands of potential customers - professional managers who influence the decision-making in their companies.

SECTIONS OF EXPOSITION

Rolling stock: rail cars, locomotives, tractive units – production / repair / modernization

Infrastructure objects and track economy: specialized machinery, equipment, tools, components and systems for railways

Engineering, information and communication technologies

- ✓ **Find potential customers!** Develop your sales channels and find your potential customers among professionals in the rail sector. Collaborate with companies, research institutions, government officials, investors and managers who influence decision-making in their companies.

- ✓ **Make your brand recognizable!** Take advantage of **Rail EXPO 2018** to present your brand to international professionals and the specialized media. Attract the attention of a wide audience, present your product to potential customers.

Do right things on right time ©. Book the best exhibition area for your company before your competitors do!

TO BECOME AN EXHIBITOR
