Украина, 65104, г. Одесса, пр-т Академика Глушко, д. 29 Тел/факс: (048)729 71 18 e-mail: office@eventus.org.ua

Forwarding company "Eventus" deals with large goods supplies to Romania and Bulgaria, and offers services for the carriage of goods to Ukraine from Romania, Bulgaria and the EU countries. Every month, our company sends in average of 150 trucks to Romania, and is interested in finding partners for regular transportation of goods to Ukraine, Russia.

Our experience in the field of transportation is for over 9 years!

The company "Eventus" is proud of its excellent reputation in the market of cargo transportation and is ready to prove itself in the international market as a reliable partner. Our services include:

- Track transportation,
- Air delivery,
- Transportation of general cargo,
- Outsourcing of transport services.

Our specialists will help to calculate correctly the cost of cargo delivery, as well they will take care of the correct registration of tall shipping documentation.

By selecting our company - the partner company receives:

- the permanent presence of free transport in all directions,
- insurance of the forwarder responsibility
- qualified staff and a personal manager, which is constantly in touch and has relevant information.

We will be grateful for help in establishing contacts with the Romanian trade and industrial companies, which are interested in a permanent and stable work in the field of transportation.

Best regards, Elena Lutay Manager of Services promotion "Eventus" Company Odessa, ave. Academician Glushko, 29
